2. Kit de Ferramentas do ICCWC

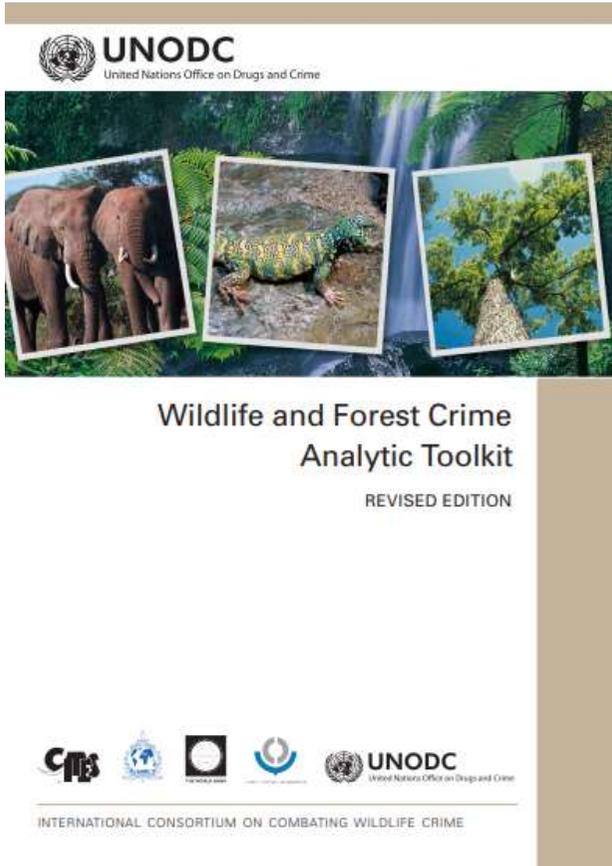

Implementação do Kit de Ferramentas do ICCWC a nível global

Status: novembro 2019

Benefícios do Kit de Ferramentas

Identificar áreas chaves para fortalecer a resposta nacional

Desenvolver plano de ação sob medida

Informar estratégias nacionais e orientar a alocação de recursos

Aumentar a conscientização

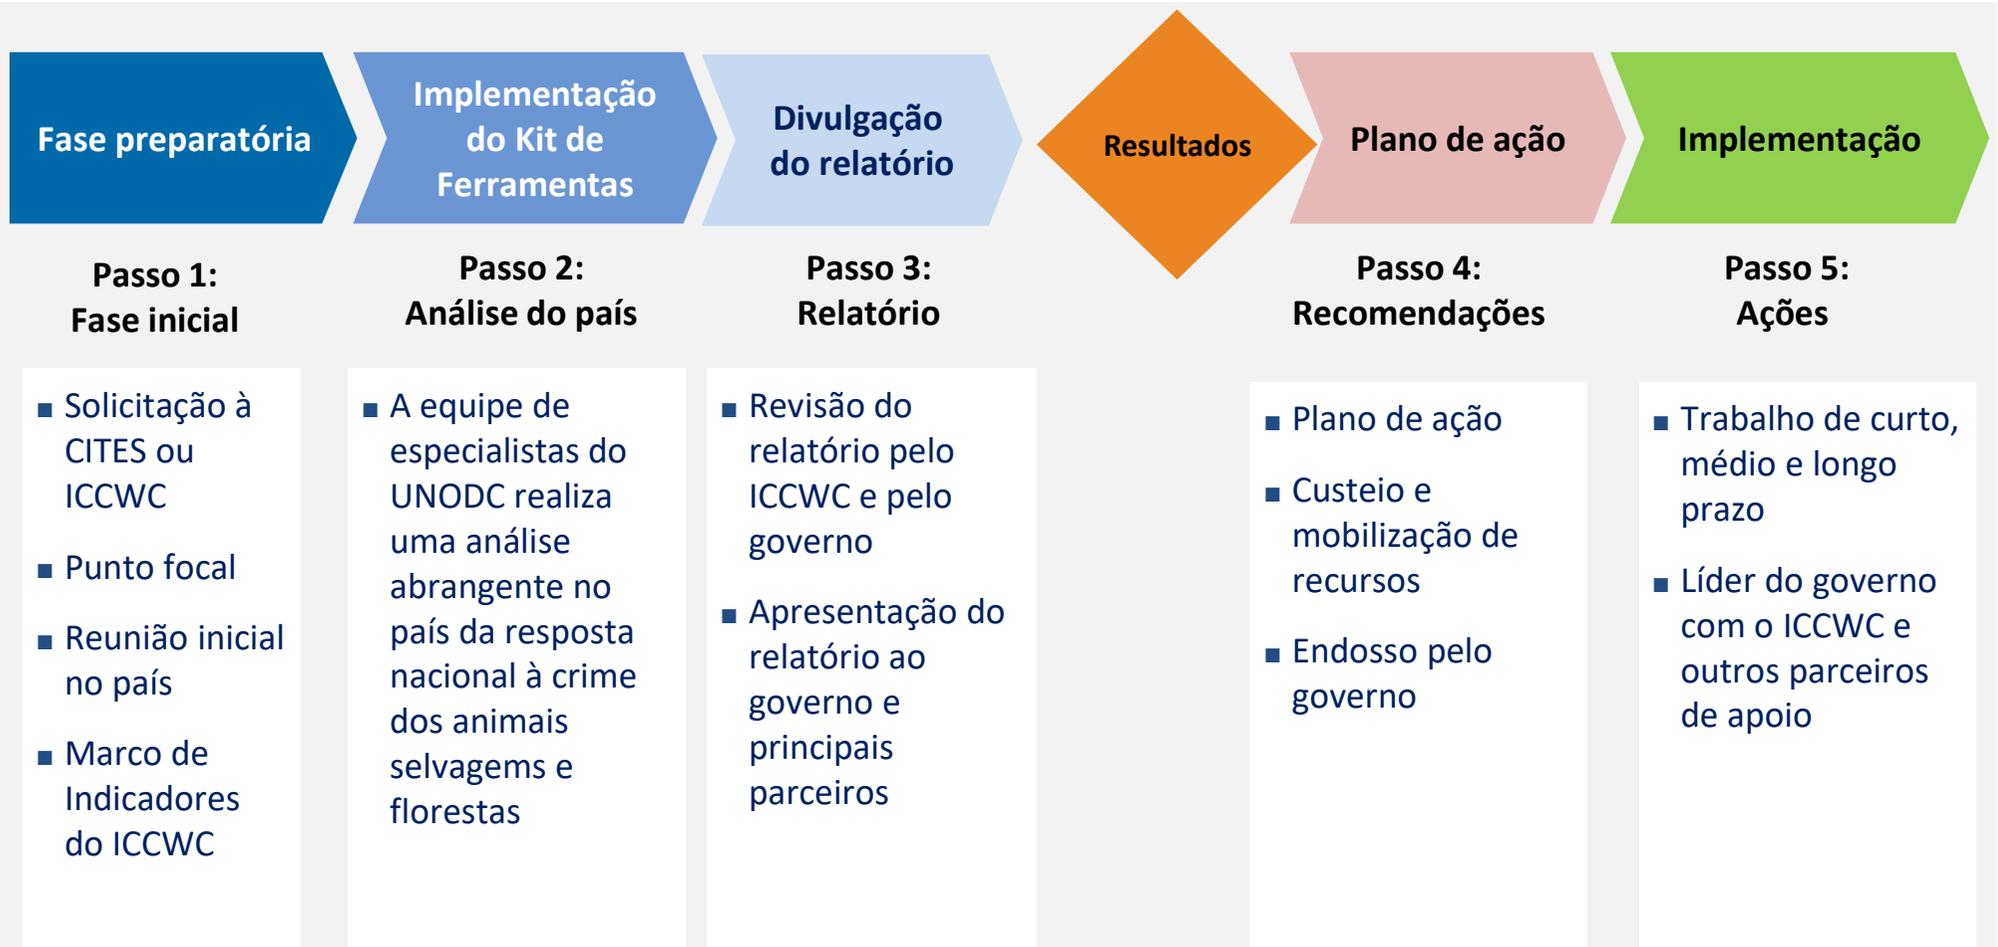

Mobilizar o apoio financeiro e técnico da comunidade doadora

3. Processo de implementação

Kit de Ferramentas do ICCWC – Processo de implementação

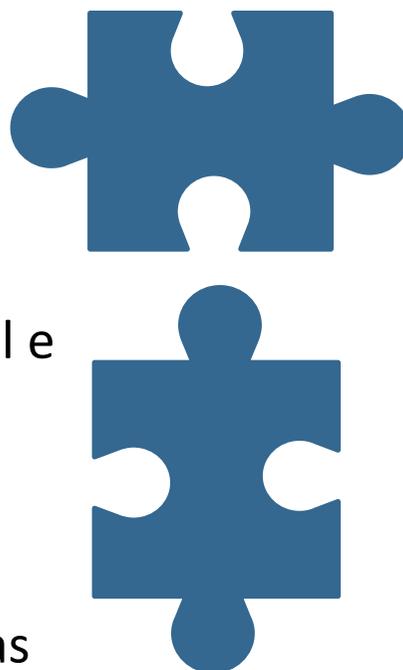

Actividades

Papel de...

... UNODC & ICCWC

- Estabelecer a equipe de análise especializada
- Coordenar o processo de análise
- Entre em contato com o ponto focal e as autoridades nacionais
- Elaborar o relatório de análise e o plano de ação do Kit de Ferramentas
- Envolver os doadores na implementação de recomendações

... homólogos nacionais

- Participação ativa no processo consultivo
- Fornecimento de documentos e informações à equipe de especialistas
- Revisar o relatório de análise e o plano de ação
- Coordenação estreita com ponto focal e UNODC

Ferramentas de Avaliação

ICCWC indicator framework for combating wildlife and forest crime – ASSESSMENT TEMPLATE

OUTCOME 1: Proactive enforcement is deterring wildlife crime

1. Enforcement priority (EA)
The recognition of combating wildlife crime as a high priority for national law enforcement agencies.

Question: Is combating wildlife crime identified as a high priority for national law enforcement agencies?

Measurement:

0	1	2	3
<p>Wildlife and forest crime:</p> <ul style="list-style-type: none"> It is rarely identified as a high priority among national law enforcement agencies 	<p>Wildlife and forest crime:</p> <ul style="list-style-type: none"> It is sometimes identified as a high priority among national law enforcement agencies 	<p>Wildlife and forest crime:</p> <ul style="list-style-type: none"> It is usually identified as a high priority among national law enforcement agencies Has not been formally adopted and/or acknowledged as a high priority 	<p>Wildlife and forest crime:</p> <ul style="list-style-type: none"> It is usually identified as a high priority among national law enforcement agencies Has been formally adopted and/or acknowledged as a high priority

* Formal recognition could include reference to wildlife crime as a priority issue within strategic plans, Memoranda of Understanding (MOUs), public statements by heads of agencies and/or declarations issued by heads of state.

Comments:

2. Serious crime (SA)
The recognition of wildlife crime involving organized criminal groups as serious crime.

Question: Are criminal offences such as poaching and wildlife trafficking involving organized criminal groups recognized as serious crime*?

Measurement:

0	1	2	3
NO	-	-	YES

* The United Nations Convention against Transnational Organized Crime defines serious crime as conduct constituting an offence punishable by imprisonment for at least four years or more serious penalty.

Comments:

3. National enforcement strategy (EA)
The existence of a national enforcement strategy and/or action plan for wildlife crime.

Question: Is there a national wildlife crime strategy and/or action plan?

Measurement:

0	1	2	3
<p>A national enforcement strategy and/or action plan(s) for wildlife crime:</p> <ul style="list-style-type: none"> Has not been developed Wildlife crime is not covered by any other relevant enforcement strategies or action plans 	<p>A national enforcement strategy and/or action plan(s) for wildlife crime:</p> <ul style="list-style-type: none"> Has not been developed Wildlife crime is covered by any other relevant enforcement strategies or action plans 	<p>A national enforcement strategy and/or action plan(s) for wildlife crime:</p> <ul style="list-style-type: none"> Has been developed Has not been adopted by any relevant national enforcement agencies Is not actively implemented by all relevant enforcement agencies 	<p>A national enforcement strategy and/or action plan(s) for wildlife crime:</p> <ul style="list-style-type: none"> Has been developed Has been adopted by all relevant national enforcement agencies Is actively implemented by all relevant enforcement agencies

Comments:

4. National cooperation (EA)
The extent of inter-agency cooperation among national law enforcement agencies to combat wildlife crime.

Question: Are there mechanism(s) in place to facilitate national inter-agency cooperation to combat wildlife crime?

Measurement:

0	1	2	3
<p>Cooperation among agencies:</p> <ul style="list-style-type: none"> Rarely or never occurs 	<p>Cooperation among agencies:</p> <ul style="list-style-type: none"> Sometimes occurs Usually takes place on an ad-hoc basis Is not supported by any formal collaboration mechanism(s)* 	<p>Cooperation among agencies:</p> <ul style="list-style-type: none"> Routinely occurs Is sometimes supported by formal collaboration mechanism(s)* Is sometimes challenged by a lack of engagement or willingness to collaborate 	<p>Cooperation among agencies:</p> <ul style="list-style-type: none"> Routinely occurs Is supported by a formal collaboration mechanism(s)* Is rarely challenged by a lack of engagement or willingness to collaborate Is usually considered to be meeting the desired collaboration objectives

* Examples of formal mechanisms for inter-agency cooperation include a national inter-agency enforcement committee bringing together agencies with a responsibility for combating wildlife crime (e.g. wildlife agencies, Customs, police and Memoranda of Understanding (MOU) between relevant law enforcement agencies.

Comments:

4. Cooperação Nacional (EA)

A extensão da cooperação entre as agências nacionais responsáveis pela aplicação da lei para combater crimes relacionados a fauna e flora.
